

## XXX-OPT-493 Internship (3 ECTS)

<b>SEMESTER:</b>	Spring
<b>CREDITS:</b>	3 ECTS
<b>LANGUAGE:</b>	Spanish or English
<b>DEGREES:</b>	IEM-ITL

### Course overview

The aim of the internship is "to allow students to apply and complement the knowledge acquired during their academic training, encouraging the acquisition of skills that will prepare them for professional activities, facilitate their employability and foster their entrepreneurial capacity".

### Prerequisites

The student must have completed the first two years of the IEM or ITL. Internships will be considered curricular after completion of the 2nd year. The internships may start taking place during the third year of studies, on a compatible schedule with the rest of the academic activity, requiring the approval of the Head of Studies if the duration is greater than 20 hours per week. They can also be performed as full-time internships during the summer. The total duration is 90 hours.

### Course contents

#### Theory:

All activities carried out by students in companies, organizations and agencies aimed at providing better access to future work opportunities.

### Textbook

- No textbook

### Grading

A minimum overall grade of at least 5 over 10 is required to pass the course. The overall grade is obtained as 70% company evaluation and 30% Internship Coordinator evaluation.
